Projects

- Coffee Shop Mobile App UI/UX Design**  *Figma*
- Designed a modern coffee ordering mobile app with 6 responsive screens, including Splash, Login, Home, Product Details, Cart, and Order Success.
 - Created a consistent design system using Auto Layout, reusable components, typography, and color styles.
 - Improved user experience through intuitive navigation, search, category filters, and a streamlined checkout flow.
 - Built an interactive prototype to demonstrate the complete user journey from browsing products to placing an order.

- YouTube UI Redesign**  *Figma*
- Redesigned key desktop screens including Home, Shorts, Channel, History, and Video Player.
 - Created user flows, wireframes, high-fidelity designs, and interactive prototypes in Figma.
 - Applied typography hierarchy, spacing systems, reusable components, and Auto Layout for consistency.
 - Focused on improving navigation clarity and overall user experience while maintaining familiarity.

Certificates
